

The Honorable Edmund F. Mansure  
Administrator  
General Services Administration  
Washington 25, D. C.

Dear Mr. Mansure:

Reference is made to General Services Administration Circular No. 65, Supplement No. 1, dated 25 August 1953, Subject: "Space Planning."

Paragraph 4 of subject circular requires that certain factual data be furnished the General Services Administration not later than the 25th of September covering the levels of employment in the various departments and agencies during the fiscal year 1954.

I regret to advise that for reasons of security I find that we are unable to comply with the subject circular. This determination is in accordance with the authority granted this Agency in Section 502, paragraph (d) (17) of Public Law 152, 81st Congress.

Sincerely,

C. P. Cabell  
Lieutenant General USAF  
Acting Director
